

GLOBAL MASTER SERVICES AGREEMENT

This Master Services Agreement ("Agreement") is dated as of October 1, 2026 ("Effective Date"), by and between:

Party A: Apex Infrastructure Global Corp., a Delaware corporation with offices at 100 Enterprise Way, Suite 400, New York, NY

Party B: Meridian Enterprise Technologies, LLC, a California limited liability company with offices at 500 Market Street, San Francisco, CA

RECITALS

WHEREAS, Customer desires to retain Service Provider to perform enterprise software implementation, infrastructure analysis, and other services;

WHEREAS, Service Provider possesses specialized technical expertise and agrees to provide such services under the terms and conditions set forth herein;

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:

1. DEFINITIONS AND INTERPRETATION

1.1 "Affiliate" means any entity that directly or indirectly controls, is controlled by, or is under common control with a party.

1.2 "Applicable Law" means all international, federal, state, and local statutes, ordinances, regulations, and judicial orders.

1.3 "Authorized User" means an individual employee, agent, or independent contractor authorized by Customer to access the Platform.

1.4 "Claim" means any third-party civil, criminal, administrative, or investigative demand, lawsuit, arbitration, or proceeding.

1.5 "Confidential Information" means all non-public information disclosed by either party, whether in tangible, electronic, or oral form.

1.6 "Customer Data" means all electronic data, documents, files, and records submitted, uploaded, or transmitted by Customer.

SECTION 2. DEFINITIONS AND RULES OF INTERPRETATION

2.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 2, both parties shall adhere to industry best practices, established standards, and applicable laws and regulations.

2.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 2 shall be subject to a formal acceptance period of ten (10) business days.

2.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of the other party's data or systems.

2.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progress and address any issues.

SECTION 3. SCOPE OF SERVICES AND DELIVERABLES

3.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 3, both parties shall adhere to industry best practices, established standards, and applicable laws and regulations.

3.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 3 shall be subject to a formal acceptance period of ten (10) business days.

3.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of the other party's data or systems.

3.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progress and address any issues.

SECTION 4. LICENSE GRANTS AND PERMITTED USE

4.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 4, both parties shall adhere to industry best practices, established

4.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 4 shall be subject to a formal acceptance period of ten (10) business days.

4.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of the other party's data.

4.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progress and address any issues.

SECTION 5. CUSTOMER OBLIGATIONS AND PREREQUISITES

5.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 5, both parties shall adhere to industry best practices, established

5.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 5 shall be subject to a formal acceptance period of ten (10) business days.

5.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of the other party's data.

5.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progress and address any issues.

SECTION 6. SERVICE LEVEL AGREEMENTS AND PERFORMANCE CREDITS

6.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 6, both parties shall adhere to industry best practices, established by the industry.

6.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 6 shall be subject to a formal acceptance period of ten (10) business days.

6.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of the other party's data.

6.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progress and address any issues.

SECTION 7. FEES, PAYMENT TERMS, AND REIMBURSABLE EXPENSES

7.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 7, both parties shall adhere to industry best practices, established by the industry.

7.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 7 shall be subject to a formal acceptance period of ten (10) business days.

7.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of the other party's data.

7.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progress and address any issues.

SECTION 8. TAXES, DUTIES, AND REGULATORY LEVIES

8.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 8, both parties shall adhere to industry best practices, established by the relevant regulatory bodies.

8.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 8 shall be subject to a formal acceptance period of ten (10) business days.

8.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of the other party's data or systems.

8.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progress and address any issues.

SECTION 9. INTELLECTUAL PROPERTY OWNERSHIP AND WORK MADE FOR HIRE

9.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 9, both parties shall adhere to industry best practices, established

9.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 9 shall be subject to a formal acceptance period of ten (10) business days.

9.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of the other party's data.

9.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progress and address any issues.

SECTION 10. MUTUAL CONFIDENTIALITY AND PROPRIETARY INFORMATION

10.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 10, both parties shall adhere to industry best practices, est

10.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 10 shall be subject to a formal acceptance period of ten (

10.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

10.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 11. DATA PROTECTION, SECURITY SAFEGUARDS, AND PRIVACY

11.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 11, both parties shall adhere to industry best practices, est

11.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 11 shall be subject to a formal acceptance period of ten (

11.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

11.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 12. REPRESENTATIONS, WARRANTIES, AND DISCLAIMERS

12.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 12, both parties shall adhere to industry best practices, est

12.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 12 shall be subject to a formal acceptance period of ten (

12.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

12.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 13. INDEMNIFICATION OBLIGATIONS AND DEFENSE PROCEDURES

13.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 13, both parties shall adhere to industry best practices, est

13.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 13 shall be subject to a formal acceptance period of ten (

13.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

13.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 14. LIMITATION OF LIABILITY AND AGGREGATE LIABILITY CAPS

14.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 14, both parties shall adhere to industry best practices, est

14.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 14 shall be subject to a formal acceptance period of ten (

14.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

14.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 15. INSURANCE COVERAGE AND POLICY ENDORSEMENTS

15.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 15, both parties shall adhere to industry best practices, est

15.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 15 shall be subject to a formal acceptance period of ten (

15.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

15.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 16. TERM, AUTOMATIC RENEWAL, AND EXPIRATION

16.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 16, both parties shall adhere to industry best practices, est

16.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 16 shall be subject to a formal acceptance period of ten (

16.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

16.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 17. TERMINATION FOR CAUSE, INSOLVENCY, AND MATERIAL BREACH

17.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 17, both parties shall adhere to industry best practices, est

17.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 17 shall be subject to a formal acceptance period of ten (

17.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

17.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 18. TERMINATION FOR CONVENIENCE AND TRANSITION SERVICES

18.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 18, both parties shall adhere to industry best practices, est

18.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 18 shall be subject to a formal acceptance period of ten (

18.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

18.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 19. EFFECT OF TERMINATION AND RETURN OF CUSTOMER DATA

19.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 19, both parties shall adhere to industry best practices, est

19.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 19 shall be subject to a formal acceptance period of ten (

19.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

19.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 20. FORCE MAJEURE AND EXCUSABLE DELAYS

20.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 20, both parties shall adhere to industry best practices, est

20.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 20 shall be subject to a formal acceptance period of ten (

20.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

20.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 21. NON-SOLICITATION AND RESTRICTIVE COVENANTS

21.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 21, both parties shall adhere to industry best practices, est

21.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 21 shall be subject to a formal acceptance period of ten (

21.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

21.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 22. EXPORT COMPLIANCE AND SANCTIONS LAWS

22.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 22, both parties shall adhere to industry best practices, est

22.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 22 shall be subject to a formal acceptance period of ten (

22.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

22.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 23. GOVERNING LAW, JURISDICTION, AND VENUE

23.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 23, both parties shall adhere to industry best practices, est

23.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 23 shall be subject to a formal acceptance period of ten (

23.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

23.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 24. DISPUTE RESOLUTION AND MANDATORY ARBITRATION

24.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 24, both parties shall adhere to industry best practices, est

24.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 24 shall be subject to a formal acceptance period of ten (

24.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

24.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 25. SEVERABILITY, MODIFICATION, AND WAIVER

25.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 25, both parties shall adhere to industry best practices, est

25.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 25 shall be subject to a formal acceptance period of ten (

25.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

25.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 26. ENTIRE AGREEMENT AND PRECEDENCE OF SCHEDULES

26.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 26, both parties shall adhere to industry best practices, est

26.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 26 shall be subject to a formal acceptance period of ten (

26.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

26.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 27. DEFINITIONS AND RULES OF INTERPRETATION

27.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 27, both parties shall adhere to industry best practices, est

27.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 27 shall be subject to a formal acceptance period of ten (

27.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

27.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 28. SCOPE OF SERVICES AND DELIVERABLES

28.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 28, both parties shall adhere to industry best practices, est

28.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 28 shall be subject to a formal acceptance period of ten (

28.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

28.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 29. LICENSE GRANTS AND PERMITTED USE

29.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 29, both parties shall adhere to industry best practices, est

29.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 29 shall be subject to a formal acceptance period of ten (

29.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

29.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 30. CUSTOMER OBLIGATIONS AND PREREQUISITES

30.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 30, both parties shall adhere to industry best practices, est

30.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 30 shall be subject to a formal acceptance period of ten (

30.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

30.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 31. SERVICE LEVEL AGREEMENTS AND PERFORMANCE CREDITS

31.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 31, both parties shall adhere to industry best practices, est

31.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 31 shall be subject to a formal acceptance period of ten (

31.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

31.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 32. FEES, PAYMENT TERMS, AND REIMBURSABLE EXPENSES

32.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 32, both parties shall adhere to industry best practices, est

32.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 32 shall be subject to a formal acceptance period of ten (

32.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

32.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 33. TAXES, DUTIES, AND REGULATORY LEVIES

33.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 33, both parties shall adhere to industry best practices, est

33.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 33 shall be subject to a formal acceptance period of ten (

33.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

33.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 34. INTELLECTUAL PROPERTY OWNERSHIP AND WORK MADE FOR HIRE

34.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 34, both parties shall adhere to industry best practices, est

34.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 34 shall be subject to a formal acceptance period of ten (

34.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

34.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 35. MUTUAL CONFIDENTIALITY AND PROPRIETARY INFORMATION

35.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 35, both parties shall adhere to industry best practices, est

35.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 35 shall be subject to a formal acceptance period of ten (

35.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

35.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 36. DATA PROTECTION, SECURITY SAFEGUARDS, AND PRIVACY

36.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 36, both parties shall adhere to industry best practices, est

36.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 36 shall be subject to a formal acceptance period of ten (

36.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

36.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 37. REPRESENTATIONS, WARRANTIES, AND DISCLAIMERS

37.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 37, both parties shall adhere to industry best practices, est

37.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 37 shall be subject to a formal acceptance period of ten (

37.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

37.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 38. INDEMNIFICATION OBLIGATIONS AND DEFENSE PROCEDURES

38.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 38, both parties shall adhere to industry best practices, est

38.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 38 shall be subject to a formal acceptance period of ten (

38.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

38.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 39. LIMITATION OF LIABILITY AND AGGREGATE LIABILITY CAPS

39.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 39, both parties shall adhere to industry best practices, est

39.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 39 shall be subject to a formal acceptance period of ten (

39.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

39.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 40. INSURANCE COVERAGE AND POLICY ENDORSEMENTS

40.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 40, both parties shall adhere to industry best practices, est

40.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 40 shall be subject to a formal acceptance period of ten (

40.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

40.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 41. TERM, AUTOMATIC RENEWAL, AND EXPIRATION

41.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 41, both parties shall adhere to industry best practices, est

41.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 41 shall be subject to a formal acceptance period of ten (

41.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

41.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 42. TERMINATION FOR CAUSE, INSOLVENCY, AND MATERIAL BREACH

42.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 42, both parties shall adhere to industry best practices, est

42.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 42 shall be subject to a formal acceptance period of ten (

42.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

42.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 43. TERMINATION FOR CONVENIENCE AND TRANSITION SERVICES

43.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 43, both parties shall adhere to industry best practices, est

43.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 43 shall be subject to a formal acceptance period of ten (

43.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

43.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 44. EFFECT OF TERMINATION AND RETURN OF CUSTOMER DATA

44.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 44, both parties shall adhere to industry best practices, est

44.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 44 shall be subject to a formal acceptance period of ten (

44.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

44.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 45. FORCE MAJEURE AND EXCUSABLE DELAYS

45.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 45, both parties shall adhere to industry best practices, est

45.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 45 shall be subject to a formal acceptance period of ten (

45.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

45.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 46. NON-SOLICITATION AND RESTRICTIVE COVENANTS

46.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 46, both parties shall adhere to industry best practices, est

46.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 46 shall be subject to a formal acceptance period of ten (

46.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

46.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 47. EXPORT COMPLIANCE AND SANCTIONS LAWS

47.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 47, both parties shall adhere to industry best practices, est

47.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 47 shall be subject to a formal acceptance period of ten (

47.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

47.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 48. GOVERNING LAW, JURISDICTION, AND VENUE

48.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 48, both parties shall adhere to industry best practices, est

48.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 48 shall be subject to a formal acceptance period of ten (

48.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

48.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 49. DISPUTE RESOLUTION AND MANDATORY ARBITRATION

49.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 49, both parties shall adhere to industry best practices, est

49.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 49 shall be subject to a formal acceptance period of ten (

49.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

49.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 50. SEVERABILITY, MODIFICATION, AND WAIVER

50.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 50, both parties shall adhere to industry best practices, est

50.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 50 shall be subject to a formal acceptance period of ten (

50.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

50.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 51. ENTIRE AGREEMENT AND PRECEDENCE OF SCHEDULES

51.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 51, both parties shall adhere to industry best practices, est

51.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 51 shall be subject to a formal acceptance period of ten (

51.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

51.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 52. DEFINITIONS AND RULES OF INTERPRETATION

52.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 52, both parties shall adhere to industry best practices, est

52.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 52 shall be subject to a formal acceptance period of ten (

52.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

52.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 53. SCOPE OF SERVICES AND DELIVERABLES

53.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 53, both parties shall adhere to industry best practices, est

53.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 53 shall be subject to a formal acceptance period of ten (

53.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

53.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 54. LICENSE GRANTS AND PERMITTED USE

54.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 54, both parties shall adhere to industry best practices, est

54.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 54 shall be subject to a formal acceptance period of ten (

54.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

54.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 55. CUSTOMER OBLIGATIONS AND PREREQUISITES

55.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 55, both parties shall adhere to industry best practices, est

55.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 55 shall be subject to a formal acceptance period of ten (

55.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

55.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 56. SERVICE LEVEL AGREEMENTS AND PERFORMANCE CREDITS

56.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 56, both parties shall adhere to industry best practices, est

56.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 56 shall be subject to a formal acceptance period of ten (

56.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

56.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 57. FEES, PAYMENT TERMS, AND REIMBURSABLE EXPENSES

57.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 57, both parties shall adhere to industry best practices, est

57.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 57 shall be subject to a formal acceptance period of ten (

57.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

57.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 58. TAXES, DUTIES, AND REGULATORY LEVIES

58.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 58, both parties shall adhere to industry best practices, est

58.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 58 shall be subject to a formal acceptance period of ten (

58.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

58.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 59. INTELLECTUAL PROPERTY OWNERSHIP AND WORK MADE FOR HIRE

59.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 59, both parties shall adhere to industry best practices, est

59.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 59 shall be subject to a formal acceptance period of ten (

59.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

59.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 60. MUTUAL CONFIDENTIALITY AND PROPRIETARY INFORMATION

60.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 60, both parties shall adhere to industry best practices, est

60.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 60 shall be subject to a formal acceptance period of ten (

60.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

60.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 61. DATA PROTECTION, SECURITY SAFEGUARDS, AND PRIVACY

61.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 61, both parties shall adhere to industry best practices, est

61.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 61 shall be subject to a formal acceptance period of ten (

61.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

61.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 62. REPRESENTATIONS, WARRANTIES, AND DISCLAIMERS

62.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 62, both parties shall adhere to industry best practices, est

62.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 62 shall be subject to a formal acceptance period of ten (

62.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

62.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 63. INDEMNIFICATION OBLIGATIONS AND DEFENSE PROCEDURES

63.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 63, both parties shall adhere to industry best practices, est

63.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 63 shall be subject to a formal acceptance period of ten (

63.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

63.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 64. LIMITATION OF LIABILITY AND AGGREGATE LIABILITY CAPS

64.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 64, both parties shall adhere to industry best practices, est

64.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 64 shall be subject to a formal acceptance period of ten (

64.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

64.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 65. INSURANCE COVERAGE AND POLICY ENDORSEMENTS

65.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 65, both parties shall adhere to industry best practices, est

65.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 65 shall be subject to a formal acceptance period of ten (

65.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

65.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 66. TERM, AUTOMATIC RENEWAL, AND EXPIRATION

66.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 66, both parties shall adhere to industry best practices, est

66.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 66 shall be subject to a formal acceptance period of ten (

66.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

66.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 67. TERMINATION FOR CAUSE, INSOLVENCY, AND MATERIAL BREACH

67.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 67, both parties shall adhere to industry best practices, est

67.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 67 shall be subject to a formal acceptance period of ten (

67.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

67.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 68. TERMINATION FOR CONVENIENCE AND TRANSITION SERVICES

68.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 68, both parties shall adhere to industry best practices, est

68.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 68 shall be subject to a formal acceptance period of ten (

68.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

68.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 69. EFFECT OF TERMINATION AND RETURN OF CUSTOMER DATA

69.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 69, both parties shall adhere to industry best practices, est

69.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 69 shall be subject to a formal acceptance period of ten (

69.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

69.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 70. FORCE MAJEURE AND EXCUSABLE DELAYS

70.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 70, both parties shall adhere to industry best practices, est

70.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 70 shall be subject to a formal acceptance period of ten (

70.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

70.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 71. NON-SOLICITATION AND RESTRICTIVE COVENANTS

71.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 71, both parties shall adhere to industry best practices, est

71.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 71 shall be subject to a formal acceptance period of ten (

71.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

71.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 72. EXPORT COMPLIANCE AND SANCTIONS LAWS

72.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 72, both parties shall adhere to industry best practices, est

72.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 72 shall be subject to a formal acceptance period of ten (

72.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

72.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 73. GOVERNING LAW, JURISDICTION, AND VENUE

73.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 73, both parties shall adhere to industry best practices, est

73.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 73 shall be subject to a formal acceptance period of ten (

73.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

73.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 74. DISPUTE RESOLUTION AND MANDATORY ARBITRATION

74.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 74, both parties shall adhere to industry best practices, est

74.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 74 shall be subject to a formal acceptance period of ten (

74.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

74.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 75. SEVERABILITY, MODIFICATION, AND WAIVER

75.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 75, both parties shall adhere to industry best practices, est

75.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 75 shall be subject to a formal acceptance period of ten (

75.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

75.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 76. ENTIRE AGREEMENT AND PRECEDENCE OF SCHEDULES

76.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 76, both parties shall adhere to industry best practices, est

76.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 76 shall be subject to a formal acceptance period of ten (

76.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

76.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 77. DEFINITIONS AND RULES OF INTERPRETATION

77.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 77, both parties shall adhere to industry best practices, est

77.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 77 shall be subject to a formal acceptance period of ten (

77.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

77.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 78. SCOPE OF SERVICES AND DELIVERABLES

78.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 78, both parties shall adhere to industry best practices, est

78.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 78 shall be subject to a formal acceptance period of ten (

78.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

78.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 79. LICENSE GRANTS AND PERMITTED USE

79.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 79, both parties shall adhere to industry best practices, est

79.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 79 shall be subject to a formal acceptance period of ten (

79.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

79.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 80. CUSTOMER OBLIGATIONS AND PREREQUISITES

80.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 80, both parties shall adhere to industry best practices, est

80.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 80 shall be subject to a formal acceptance period of ten (

80.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

80.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 81. SERVICE LEVEL AGREEMENTS AND PERFORMANCE CREDITS

81.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 81, both parties shall adhere to industry best practices, est

81.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 81 shall be subject to a formal acceptance period of ten (

81.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

81.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 82. FEES, PAYMENT TERMS, AND REIMBURSABLE EXPENSES

82.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 82, both parties shall adhere to industry best practices, est

82.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 82 shall be subject to a formal acceptance period of ten (

82.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

82.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 83. TAXES, DUTIES, AND REGULATORY LEVIES

83.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 83, both parties shall adhere to industry best practices, est

83.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 83 shall be subject to a formal acceptance period of ten (

83.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

83.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 84. INTELLECTUAL PROPERTY OWNERSHIP AND WORK MADE FOR HIRE

84.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 84, both parties shall adhere to industry best practices, est

84.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 84 shall be subject to a formal acceptance period of ten (

84.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

84.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 85. MUTUAL CONFIDENTIALITY AND PROPRIETARY INFORMATION

85.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 85, both parties shall adhere to industry best practices, est

85.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 85 shall be subject to a formal acceptance period of ten (

85.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

85.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 86. DATA PROTECTION, SECURITY SAFEGUARDS, AND PRIVACY

86.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 86, both parties shall adhere to industry best practices, est

86.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 86 shall be subject to a formal acceptance period of ten (

86.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

86.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 87. REPRESENTATIONS, WARRANTIES, AND DISCLAIMERS

87.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 87, both parties shall adhere to industry best practices, est

87.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 87 shall be subject to a formal acceptance period of ten (

87.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

87.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 88. INDEMNIFICATION OBLIGATIONS AND DEFENSE PROCEDURES

88.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 88, both parties shall adhere to industry best practices, est

88.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 88 shall be subject to a formal acceptance period of ten (

88.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

88.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 89. LIMITATION OF LIABILITY AND AGGREGATE LIABILITY CAPS

89.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 89, both parties shall adhere to industry best practices, est

89.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 89 shall be subject to a formal acceptance period of ten (

89.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

89.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 90. INSURANCE COVERAGE AND POLICY ENDORSEMENTS

90.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 90, both parties shall adhere to industry best practices, est

90.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 90 shall be subject to a formal acceptance period of ten (

90.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

90.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 91. TERM, AUTOMATIC RENEWAL, AND EXPIRATION

91.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 91, both parties shall adhere to industry best practices, est

91.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 91 shall be subject to a formal acceptance period of ten (

91.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

91.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 92. TERMINATION FOR CAUSE, INSOLVENCY, AND MATERIAL BREACH

92.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 92, both parties shall adhere to industry best practices, est

92.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 92 shall be subject to a formal acceptance period of ten (

92.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

92.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 93. TERMINATION FOR CONVENIENCE AND TRANSITION SERVICES

93.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 93, both parties shall adhere to industry best practices, est

93.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 93 shall be subject to a formal acceptance period of ten (

93.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

93.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 94. EFFECT OF TERMINATION AND RETURN OF CUSTOMER DATA

94.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 94, both parties shall adhere to industry best practices, est

94.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 94 shall be subject to a formal acceptance period of ten (

94.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

94.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 95. FORCE MAJEURE AND EXCUSABLE DELAYS

95.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 95, both parties shall adhere to industry best practices, est

95.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 95 shall be subject to a formal acceptance period of ten (

95.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

95.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 96. NON-SOLICITATION AND RESTRICTIVE COVENANTS

96.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 96, both parties shall adhere to industry best practices, est

96.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 96 shall be subject to a formal acceptance period of ten (

96.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

96.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 97. EXPORT COMPLIANCE AND SANCTIONS LAWS

97.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 97, both parties shall adhere to industry best practices, est

97.2 Standards of Diligence and Review.

97.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

97.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 98. GOVERNING LAW, JURISDICTION, AND VENUE

98.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 98, both parties shall adhere to industry best practices, est

98.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 98 shall be subject to a formal acceptance period of ten (

98.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

98.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 99. DISPUTE RESOLUTION AND MANDATORY ARBITRATION

99.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 99, both parties shall adhere to industry best practices, est

99.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 99 shall be subject to a formal acceptance period of ten (

99.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

99.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 100. SEVERABILITY, MODIFICATION, AND WAIVER

100.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 100, both parties shall adhere to industry best practices, es

100.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 100 shall be subject to a formal acceptance period of ten

100.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

100.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 101. ENTIRE AGREEMENT AND PRECEDENCE OF SCHEDULES

101.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 101, both parties shall adhere to industry best practices, es

101.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 101 shall be subject to a formal acceptance period of ten

101.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

101.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 102. DEFINITIONS AND RULES OF INTERPRETATION

102.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 102, both parties shall adhere to industry best practices, es

102.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 102 shall be subject to a formal acceptance period of ten

102.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

102.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 103. SCOPE OF SERVICES AND DELIVERABLES

103.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 103, both parties shall adhere to industry best practices, es

103.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 103 shall be subject to a formal acceptance period of ten

103.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

103.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 104. LICENSE GRANTS AND PERMITTED USE

104.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 104, both parties shall adhere to industry best practices, es

104.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 104 shall be subject to a formal acceptance period of ten

104.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

104.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 105. CUSTOMER OBLIGATIONS AND PREREQUISITES

105.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 105, both parties shall adhere to industry best practices, es

105.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 105 shall be subject to a formal acceptance period of ten

105.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

105.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 106. SERVICE LEVEL AGREEMENTS AND PERFORMANCE CREDITS

106.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 106, both parties shall adhere to industry best practices, es

106.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 106 shall be subject to a formal acceptance period of ten

106.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

106.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 107. FEES, PAYMENT TERMS, AND REIMBURSABLE EXPENSES

107.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 107, both parties shall adhere to industry best practices, es

107.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 107 shall be subject to a formal acceptance period of ten

107.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

107.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 108. TAXES, DUTIES, AND REGULATORY LEVIES

108.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 108, both parties shall adhere to industry best practices, es

108.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 108 shall be subject to a formal acceptance period of ten

108.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

108.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 109. INTELLECTUAL PROPERTY OWNERSHIP AND WORK MADE FOR HIRE

109.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 109, both parties shall adhere to industry best practices, es

109.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 109 shall be subject to a formal acceptance period of ten

109.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

109.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 110. MUTUAL CONFIDENTIALITY AND PROPRIETARY INFORMATION

110.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 110, both parties shall adhere to industry best practices, es

110.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 110 shall be subject to a formal acceptance period of ten

110.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

110.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 111. DATA PROTECTION, SECURITY SAFEGUARDS, AND PRIVACY

111.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 111, both parties shall adhere to industry best practices, es

111.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 111 shall be subject to a formal acceptance period of ten

111.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

111.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 112. REPRESENTATIONS, WARRANTIES, AND DISCLAIMERS

112.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 112, both parties shall adhere to industry best practices, es

112.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 112 shall be subject to a formal acceptance period of ten

112.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

112.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 113. INDEMNIFICATION OBLIGATIONS AND DEFENSE PROCEDURES

113.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 113, both parties shall adhere to industry best practices, es

113.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 113 shall be subject to a formal acceptance period of ten

113.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

113.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 114. LIMITATION OF LIABILITY AND AGGREGATE LIABILITY CAPS

114.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 114, both parties shall adhere to industry best practices, es

114.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 114 shall be subject to a formal acceptance period of ten

114.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

114.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 115. INSURANCE COVERAGE AND POLICY ENDORSEMENTS

115.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 115, both parties shall adhere to industry best practices, es

115.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 115 shall be subject to a formal acceptance period of ten

115.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

115.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 116. TERM, AUTOMATIC RENEWAL, AND EXPIRATION

116.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 116, both parties shall adhere to industry best practices, es

116.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 116 shall be subject to a formal acceptance period of ten

116.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

116.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 117. TERMINATION FOR CAUSE, INSOLVENCY, AND MATERIAL BREACH

117.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 117, both parties shall adhere to industry best practices, es

117.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 117 shall be subject to a formal acceptance period of ten

117.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

117.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 118. TERMINATION FOR CONVENIENCE AND TRANSITION SERVICES

118.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 118, both parties shall adhere to industry best practices, es

118.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 118 shall be subject to a formal acceptance period of ten

118.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

118.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 119. EFFECT OF TERMINATION AND RETURN OF CUSTOMER DATA

119.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 119, both parties shall adhere to industry best practices, es

119.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 119 shall be subject to a formal acceptance period of ten

119.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

119.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 120. FORCE MAJEURE AND EXCUSABLE DELAYS

120.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 120, both parties shall adhere to industry best practices, es

120.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 120 shall be subject to a formal acceptance period of ten

120.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

120.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 121. NON-SOLICITATION AND RESTRICTIVE COVENANTS

121.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 121, both parties shall adhere to industry best practices, es

121.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 121 shall be subject to a formal acceptance period of ten

121.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

121.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 122. EXPORT COMPLIANCE AND SANCTIONS LAWS

122.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 122, both parties shall adhere to industry best practices, es

122.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 122 shall be subject to a formal acceptance period of ten

122.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

122.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 123. GOVERNING LAW, JURISDICTION, AND VENUE

123.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 123, both parties shall adhere to industry best practices, es

123.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 123 shall be subject to a formal acceptance period of ten

123.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

123.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 124. DISPUTE RESOLUTION AND MANDATORY ARBITRATION

124.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 124, both parties shall adhere to industry best practices, es

124.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 124 shall be subject to a formal acceptance period of ten

124.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

124.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 125. SEVERABILITY, MODIFICATION, AND WAIVER

125.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 125, both parties shall adhere to industry best practices, es

125.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 125 shall be subject to a formal acceptance period of ten

125.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

125.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 126. ENTIRE AGREEMENT AND PRECEDENCE OF SCHEDULES

126.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 126, both parties shall adhere to industry best practices, es

126.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 126 shall be subject to a formal acceptance period of ten

126.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

126.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 127. DEFINITIONS AND RULES OF INTERPRETATION

127.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 127, both parties shall adhere to industry best practices, es

127.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 127 shall be subject to a formal acceptance period of ten

127.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

127.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 128. SCOPE OF SERVICES AND DELIVERABLES

128.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 128, both parties shall adhere to industry best practices, es

128.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 128 shall be subject to a formal acceptance period of ten

128.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

128.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 129. LICENSE GRANTS AND PERMITTED USE

129.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 129, both parties shall adhere to industry best practices, es

129.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 129 shall be subject to a formal acceptance period of ten

129.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

129.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 130. CUSTOMER OBLIGATIONS AND PREREQUISITES

130.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 130, both parties shall adhere to industry best practices, es

130.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 130 shall be subject to a formal acceptance period of ten

130.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

130.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 131. SERVICE LEVEL AGREEMENTS AND PERFORMANCE CREDITS

131.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 131, both parties shall adhere to industry best practices, es

131.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 131 shall be subject to a formal acceptance period of ten

131.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

131.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 132. FEES, PAYMENT TERMS, AND REIMBURSABLE EXPENSES

132.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 132, both parties shall adhere to industry best practices, es

132.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 132 shall be subject to a formal acceptance period of ten

132.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

132.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 133. TAXES, DUTIES, AND REGULATORY LEVIES

133.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 133, both parties shall adhere to industry best practices, es

133.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 133 shall be subject to a formal acceptance period of ten

133.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

133.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 134. INTELLECTUAL PROPERTY OWNERSHIP AND WORK MADE FOR HIRE

134.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 134, both parties shall adhere to industry best practices, es

134.2 Standards of Diligence and Review.

Each deliverable and work product generated pursuant to this Section 134 shall be subject to a formal acceptance period of ten

134.3 Risk Allocation and Compliance.

Neither party shall take any action that compromises the cryptographic integrity, operational availability, or confidential status of

134.4 Reporting, Monitoring, and Governance.

The parties shall appoint authorized relationship managers who shall meet on a bi-weekly cadence to evaluate technical progre

SECTION 135. MUTUAL CONFIDENTIALITY AND PROPRIETARY INFORMATION

135.1 Scope and Operational Requirements.

In connection with the performance of obligations under this Section 135, both parties shall adhere to industry best practices, es
